

IN CASE OF AN EMERGENCY – DO YOU KNOW WHERE YOUR WATER SHUTOFF VALVES ARE LOCATED?
IT IS A GOOD IDEA TO KNOW WHERE THEY ARE LOCATED IN CASE YOU HAVE A WATER SERVICE LINE
BREAK OR A LEAK WITHIN YOUR HOUSE/BUILDING.

ST. JOHN'S WATER COMPANY, INC

REMEMBER:

METER BOXES AND ALL PARTS INSIDE THE METER BOX INCLUDING THE METER ARE THE PROPERTY OF ST. JOHN'S WATER COMPANY AND TAMPERING WITH METER PARTS INSIDE THE METER BOX IS A CRIMINAL OFFENSE.

YOU MAY ALSO HAVE A SHUTOFF VALVE OUTSIDE YOUR DWELLING BEFORE THE WATER LINE ENTERS THE HOUSE/BUILDING

SHUTOFF AND CHECK VALVES SHOULD BE LOCATED WITHIN TWO FEET OF THE METER BOX (TYPICALLY)
